First Annual Williston Heroes Rodeo

Thurs. Oct 11 through Sat. Oct 13, 2018

The enclosed material provides information on the Sponsor packets offered to companies and individuals as support for the Heroes Rodeo. The goal of the rodeo, besides offering a great time for all, is to raise financial support for our veterans and specifically for Veteran Resource Services, Inc. (VRS). VRS is a 501-c3 nonprofit organization dedicated to assisting our veterans in their reintegration into civilian life.

Included with the sponsor packet is the narrative that describes the mission of VRS and the intention to purchase the former middle school campus in Williston, FL. Profits from the rodeo will assist with the purchase and refurbishment of the school and will launch the various programs to help our men and women of the military.

Please read through the narrative and the sponsor information. Know that your participation in the rodeo will help to make our project come to life and will impact many veterans and their families. In addition to the sponsor opportunities, you may also participate in the Program Ad sales and the raffle give-away. Any items you choose to donate, any ad you place, and any sponsorship will be receipted by VRS and shows your company as a veteran-friendly establishment. Thank you for your support!

Please contact Rebecca Williamson if you have any questions. Please use the email address to return your forms.
